

WHAT TO EXPECT ON A HARD HAT TOUR

This guide will help you make the most out of your hard hat tour at Rambler.

BEFORE THE TOUR

Before you head to the leasing office for your tour, read these tips to make sure your experience is safe and enjoyable.

+ Timing

The tour will last approximately one hour, with around 30-minutes spent on-site.

+ Dress Accordingly

Since we will be on an active construction site, we require you to wear closed-toe shoes. Dust and dirt will be present, so be sure to keep this in mind and dress accordingly.

+ Temperature

Please be prepared for outside temperatures during the tour.

+ Photo ID

To ensure security, we require each person who is touring to provide a valid photo ID. Be sure to bring your driver's license, passport or other form of government issued photo ID.

+ No Pets

While we love pets and can't wait for them to move-in, they can't be brought on the tour. Please, leave your bestie at home.

+ Safety Clothing

It's mandatory to wear a hard hat, safety vest, safety goggles, and gloves. These will all be provided upon arrival.
